Sha-Amanat International Airport in Chattogram Town Project
CDA Building, Chattogram.

Memo No: PD/Elevated/Test/22/407

Date: 30/12/2020

To
The Project Manager
Max-Ranken (JV)
Construction of Elevated Expressway from Lalkhan
Bazar to Shah Amanat International Airport, Chattogram Town.

Subject: Provisional Approval for Concrete Admixture NEXAPLAST MR 400-R.

Ref: (1) M-R (JV)/TL/EEWP/CDA/20/692, Date: 17/12/2020.
(2) DDC/SARM/DPM/HNRBI/TL/EEWP/PD(CDA)/20/729, Date: 28/12/2020

Dear Concern,

Reference is made to the above subject and as per recommendation from consultant, concrete admixture NEXPLAST MR 400-R manufactured by NEXA limited is approved for "Construction of Elevated Expressway from Lalkhan Bazar to Shah Amanat International Airport in Chattogram Town".

It is noted that sample need to be tested before use the product according to specification.

Attachment: Mix Design Report.
